The Chinese Government having (through the Hon. Anson Burlingame) conceded to this Company the privilege of connecting the great seaports of the Empire by submarine electric telegraph cable, we propose commencing operations in China, and laying down a line of nine hundred miles at once, between the following ports, viz:

	Population.
Canton	1,000,000
Macoa	60,000
Hong-Kong	250,000
Swatow	200,000
Amoy	250,000
Foo-Chow	1,250,000
Wsn-Chu	300,000
Ningpo	400,000
Hang Chean	1,200,000
Shanghai	1,000,000
Total	5,910,000

These ports have a foreign commerce of $900,000,000, and an enormous domestic trade, besides which we have the immense internal commerce of the Empire, radiating from these points, through its canals and navigable rivers.

The cable being laid, this company proposes erecting land lines, and establishing a speedy and trustworthy means of communication, which must command there, as everywhere else, the communications of the Government, of business, and of social life especially in China. She has no postal system, and her only means now of communicating information is by couriers on land, and by steamers on water.

The Western World knows that China is a very large country, in the main densely peopled; but few yet realize that she contains more than a third of the human race. The latest returns made to her central authorities for taxing purposes by the local magistrate make her population *Four hundred and Fourteen millions*, and this is more likely to be under than over the actual aggregate. Nearly all of these, who are over ten years old, not only can but do read and write. Her civilization is peculiar, but her literature is as extensive as that of Europe. China is a land of teachers and traders; and the latter are exceedingly quick to avail themselves of every proffered facility for procuring early information. It is observed in California that the Chinese make great use of the telegraph, though it there transmits messages in English alone. To-day great numbers of fleet steamers are owned by Chinese merchants, and used by them exclusively for the transmission of early intelligence. If the telegraph we propose connecting all their great seaports, were now in existence, it is believed that its business would pay the cost within the first two years of its successful operation, and would steadily increase thereafter

No enterprise commends itself as in a greater degree remunerative to capitalists, and to our whole people. It is of vast national importance commercially, politically and evangelically.

☞ The stock of this Company has been unqualifiedly recommended to capitalists and business men, as a desirable investment by editorial articles in the New York *Herald, Tribune, World, Times, Post, Express, Independent*, and in the Philadelphia *North American, Press, Ledger, Inquirer, Age, Bulletin* and *Telegraph*.

Shares of this company, to a limited number, may be obtained at $50 each, $10 payable down, $15 on the 1st of November, and $25 payable in monthly instalments of $2.50 each, commencing December 1, 1868, on application to

ADDRESS

OF THE

DEMOCRATIC STATE CENTRAL COMMITTEE OF PENNSYLVANIA.

ROOMS OF THE DEMOCRATIC STATE COMMITTEE, 901 *Arch Street, Philadelphia.*—The Democratic State Central Committee, duly impressed with the importance of the approaching election, and desirous of discharging the duties imposed upon them in all suitable ways, proposed to address to you a few sincere, earnest words.

We desire by the election of Mr. Pershing to the bench of the Supreme Court, to secure a judge of ability and high character, who will be impartial in his great office, and will make the Constitution and laws the rule of his judgment and action.

The election of Asa Packer to the office of Governor is recommended by many considerations of high moment, to some of which we propose to call your attention.

Reform is needed in the State government, and he is a fit man to introduce and uphold it. For he will come to the performance of public duty, armed with integrity as with a garment, with a knowledge of the business interests of our people, and with an earnest purpose to do good and resist evil.

What has been amiss in legislation and in Executive action at Harrisburg in recent years, will be rebuked by his election. For he has had no concern and no sympathy with the mismanagement of the State finances and with the enactment of odious or improvident laws; he has been engaged in honorable enterprises of great public utility, and has given his sympathies always to honorable men. This is an indispensable qualification for the office of Governor, or of President. Without it, executive service must be badly performed or neglected.

Asa Packer represents well one practical effect of our free institutions. A penniless youth, and a man of humble polition in the earlier years of his manhood, he has achieved a prominent position among the business men of the country, and distinction as a political man. He now appears before you, not unsolicited, as a candidate for the highest office in the State government, and holds as such the respect and confidence of his fellow citizens, more truly and firmly than could a man of high rank and proud lineage in a country of despotic or aristocratical institutions. In his case, popular confidence is based entirely upon the solid foundation of real merit; tried throughout an eventful career and manifested in honorable, useful and magnanimous action.

Asa Packer, in the Gubernatorial chair, will give to us what we greatly need; a strong point of defence and security against violent, unjust, ill-considered, selfish and partisan laws. He is above all baseness, independent of all cliques and "rings" (so called), and as incapable of conscious injustice to political opponents as of unworthy subserviency to political friends. He will be just, firm, faithful and tolerant in his great office, if he shall be charged with its duties, and will pursue therein no selfish object, whether of ambition or of private gain.

Asa Packer is a true representative of the industrial interests of the State and of our great public improvements. His relations with both are extensive, and his views regarding them enlightened and liberal. He will favor and aid the development of the former and all possible extensions of the letter, so that our people shall be prosperous and be enabled the better to bear the great burden of their public debt.

The present canvass has not been one of excitement or of noisy effort. But we believe that earnest thought has been directed by our people to the issues involved in it, and to the respective claims of the candidates before them. There is a disposition in the public mind (and a proper and a timely one) to pass from sectional and adventitious questions connected with the recent war, and bestow attention upon financial, monetary and industrial ones, which come home to our people in their everyday pursuits and avocations. Money is scarce for many legitimate and useful investments; our taxation is in many respects unequal, and upon some objects oppressive; the rates of interest upon public loans are improvident, the expenses of the Government (both State and Federal) are excessive, if not profligate, and the relations between capital and labor are uneasy and disturbed; and then there is unquestionably a general lowering of the moral tone of public life below the level of former times.

For remedy for these manifest evils (which none can deny and all good men must lament), the people must act with energy and wisdom. They must call better men than they now have to places of public trust, and *they must break up the monopoly of power by the republican party.* The election of Asa Packer will point to reform and improvement in our affairs, and will go a great way toward securing them. For it will mean integrity and capacity, high honor, spotless character, business ability, experience in public affairs, and a charitable, tolerant and magnanimous spirit are appreciated by the people, and that men possessing them will be secured whenever possible for public service; and it will mean, also that a party in possession of unchecked power for many years, whose performances in the administration of government are unsatisfactory, will be called upon to surrender its power, or to divide that power with another party more faithful or more competent.

The Harrisburg convention claimed for our State the right and privilege of determining for herself the rule of popular suffrage within her limits. This right, which was recognized in the republican platform of 1868, is one of vital importance and should never be surrendered or waived. For if the right to determine whether Africans, Asiastics or Indians shall be electors of a State or not, be taken away from the states—no matter in what way—their character as sovereign free states is clearly gone from them. We are not so directly interested in the adjustment of suffrage in the Southern States under the reconstruction laws of Congress, as in the geneneral question of State power over the subject of suffrage. Though we may acquiesce in the former as an accomplished fact—as an exceptional exercise of federal power over seceded States which is beyond recall—we must claim for the latter an enduring interest and vitality. Our brethren of California have declared at the recent election that they will not agree that Congress shall have power to create Japanese and Chinese voters for that State. They claim for themselves entire jurisdiction over the subject of suffrage within their State, and will not surrender it. Nor will they surrender our similar right, if we shall be wisely instructed by history and by reason, and shall be regardful of our interests and our honor.

The country desires not only peace, but all the fruits of peace- restored concord, restored prosperity, and a complete restoration of constitutional rule in all the States. We seek for this; we desire this with all our hearts. So far then as national policy is concerned, our cause is the cause of peace and of good will among men, of pure and of just government conformed to fundamental law and inspired by a humane and christain spirit, and it is opposed only to mismanagement and wrong—to the rude rule of the military in time of peace and to the pluuder of the people.

By order of the Democratic State Committee. WM. MUTCHLER, Chairman.

WAR AMONG THE RADICALS!

Greek Fire Thrown Into the Executive Chamber.

THE PHILADELPHIA EVENING TELEGRAPH EXPLODES A CAN OF NITRO-GLYCERINE UNDER THE EXECUTIVE CHAIR.

Great Consternation Among the Truly Loil.

[Special to the Morning Patriot.]

PHILADELPHIA, Sept. 21.

Quite an excitement has been produced in this city by the appearance of an article in the *Evening Telegraph* of this evening, assailing Governor Geary for his abuse of the pardoning power. Great consternation prevails among the radical politicians on account of it. This attack, coming from so respectable and reliable a republican journal as the *Telegraph*, has seriously damaged Geary's chances for re-election, and there is serious talk among the more far-sighted leaders of his party of compelling his withdrawal with a view of nominating a new man. General T. L. Kane is mentioned in connection with the nomination, if Geary should withdraw. The article of the *Telegraph* which has produced so much trouble, is as follows:

THE PARDONING POWER.

A few days ago, in discussing the remarkable succession of murders, suicides and murderous assaults that have shocked this community during the present month, we gave as one reason for this lawlessness the abuse of the pardoning power, and remarked in that connection that Gov. Geary's use of the pardoning power had not given satisfaction. For this we have been taken to task by the *Evening Bulletin*, and in refutation of our charge it makes considerable parade of the fact that Geary has pardoned fewer criminals than any of his predecessors, and further, that "every exercise of the power made during his administration has been for good and sufficient reasons." The *Bulletin* then goes on to say that

"The mere publication of this list, without a word of comment—without any attempt to explain the character of the few pardons granted by Governor Geary, is a sufficient answer to the calumnies of his enemies." But it can be demonstrated from official documents, the authenticity of the statements of which it is impossible to question, that these pardons were clearly entitled to them—who were included in the class for the relief of which this enormous power was placed in the hands of the Executive."

Our contemporary is entirely correct in its figures; it is entirely correct when it says that these pardons were granted for "good and sufficient reasons"—to Governor Geary, of course, although we may be permitted to doubt whether the honest law-abiding portion of the community would be exactly of the same way of thinking, if they knew *all the circumstances connected with the granting of some of these pardons.* The article objected to by the *Bulletin* contained no political allusions whatever, it was a plain statement of a state of affairs which ought to receive the candid attention of every patriotic citizen. We endeavored to lay a portion of the blame where we believe that it justly belongs. In spite of the *Bulletin's* figures, we still remain of the same opinion as before, and our opinion is based upon exactly the same official record that our contemporary quotes so confidently. The question is not whether Governor Geary has pardoned a less or greater number of criminals than his predecessors, *but whether he has used it for the good of the community and not from selfish motives and to gratify certain intriguing politicians;* whether his use of the pardoning power has not been such as to demand that it shall be taken from the hands of the executive in the future and entrusted to a properly organized court. We believe that this is a matter of vital importance to the people of this city and State, and we know of no good reason why we should refrain from alluding to it now or at any other time. To substantiate our position, we will quote a few cases from the pardon report for the edification of the *Bulletin* and all others interested:—

[Here follow quotations from Gov. Geary's Pardon Report.]

We have here quoted but a small number of the pardons granted, but they will be sufficient to show the frivilous character of the reasons assigned, and the class of men upon whose application the Governor was induced to interfere. *Throughout the whole pardon list we find the names of well-known local and State politicians, each one of whom has his little axe to grind, each one of whom expects to obtain influence at primary elections, conventions, and the polls by using his influence in matters of this kind, and the Governor is ready to oblige them because they may do him a good or evil turn, as he wins their favor or enmity.* We have here laid bare one of the secret wires by which the politics of the State are regulated; and the spectacle is edifying, if not altogether agreeable.

We know that the loyalty of our amiable contemporary is of a very severe and antique type, which we can scarcely expect to emulate, and as election day approaches it invariably mounts a very high and patriotic horse, that we find it difficult to keep pace with. Our opinion of Governor Geary is tolerably well known; we do not think any better of him since his renomination than we did before, but if the republicans of this State choose to vote for him again, that is their business and not ours. We venture, however, upon a piece of disinterested advice to the *Bulletin*—that is, if it really wishes to see Geary re-elected, the best thing it can do is to discuss him as little as possible.

We believe that our opinions on the leading moral, political and social topics are sufficiently pronounced and sufficiently liberal to satisfy the most advaned reformers of the day, if we except the Wendell Phillips and Susan B. Anthony class, and we have given as sturdy a support to the republican party as has our contemporary.—We belive, however, that if the republican party is to retain the confidence of the country it must be conducted on pure principles, by pure men. We hold firmly to republican principles, because we believe that the safety, honor and welfare of the country depend upon their maintenance; but we will not support the corrupt men who may manage to get upon the republican ticket for the sake of advancing their own selfish ends and for the purpose of plundering the public. The time has now come when it is necessary for the patriotic men of the State and country to make a decided stand against corrupt practices like those of the late State legislature, which bring the party into disgrace and contempt. If the party supports such men it ought to fail, for, whatever its pretended principles may be, it has in reality fallen to the democratic level, and party fealty represents a mere scramble for the loaves and fishes. We have taken our position on this subject, and we do not intend to be frightened or silenced by the noise of the big war drums that are being sounded as the day of election approaches. We have ample assurance that our course meets with approbation of the good men of the republican party, the men who have given and do give it all its real influence, and our only opponents are those who make a trade of politics, who have no principles whatever except to obtain office at all hazzards, and a few timorous, so-called republicans, who have no opinions of their own, who follow blindly the professed party leaders, and who echo at every election, the old democratic war cry of "Vote the straight ticket." There are Bourbons, who learn nothing and who forget nothing, in the republican as well as the democratic party, and it is the republican Bourbons that give the most aid and comfort to the enemy.

The most critical examination we can gve to the pardon record of Governor Geary only confirms our conviction that the pardoning power ought to be taken out of the hands of the Executive. *The majority of his pardons were granted for the most frivolous reasons, and at the instance of a class of men who had their own ends to serve by recommending criminals to his clemency—men who, from the frequency with which they appear upon the record, might not unjustly be entitled professional pardon brokers,* and the reward of more than one engaged in this disreputable business may be seen in objectionable nominations made upon the republican ticket, and which we have yet to see denounced by the *Bulletin.* Perhaps our contemporary will give us its opinion on the black sheep after the election. We prefer to denounce them before.

THE REGISTRY LAW.

What Must be Done in Order to Vote.

READ, EXPLAIN AND CIRCULATE!

See that Your Names are on the List.

To the Democratic Voters of Western Pennsylvania.

Your attention is directed to the following explanation of the Registry Law. Read it carefully, in order to ascertain what is your duty in the premises, and then see that your names are placed upon the assessor's list.

NATURALIZED CITIZENS

will see that the republican legislature has imposed *additional duties* upon them. Let them comply fully with the requirements of the law, in order that they may vote for the party which has always stood by them.

EXAMINE THE ASSESSOR'S LIST,

one of which is posted on the house where the election is to be held, and the other is in the assessor's hands. You have a right to examine them free of charge.

These lists should contain your name, and the names of all other qualified voters in the district; they should state if you are a housekeeper, the number of your house, the street it fronts on; your occupation; if you board, where and with whom you board; if you work for another, your employer's name; and opposite your name should be written the word "voter."

If you have been naturalized, there will also appear the letter "N." If you have merely declared your intention to become a citizen, the letters "D. I."

If you are between twenty-one and twenty-two years old, the word "age." If you have removed into the district since the last election, the letter "R." will appear opposite your name.

Make it your personal duty to see that your name is upon the list.

Do not trust this matter to any one else.

HOW TO GET REGISTERED.

If you find your name is not on the list, *go yourself* to the assessor, and make your claim to be put on. He is bound to add your name. He cannot question your right. You need not discuss the matter with him, your "claim" is enough. Give him also your precise residence, occupation, &c. He will mark "C. V." opposite your name.

ATTEND TO THIS AT ONCE.

If you delay until within ten days of the election, you may lose your vote.

NATURALIZED CITIZENS.

You must show your "papers" to the assessor, in order to get your names registered.

If you intend to take out your "last papers" before the election, you must show your "first papers" to the assessor.

See that your names are on the list.

Those of you who do not need to have "first papers," and intend to be naturalized before the election, should get naturalized first, *immediately*, and go to the assessor with your "papers."

All naturalized citizens must take their "papers" with them to the polls, unless they have been voting for ten years in the same district.

You must take your "papers" with you when you go to vote, even if your name is on the list.

Do not forget this or your enemies will deprive you of your vote.

TAXES.

The law in relation to the payment of taxes is unchanged. If you have paid neither a state nor county tax, assessed *within two years*, do it *without delay.*

Take your last tax receipt with you to the polls.

Do not delay registering or paying your taxes; attend to this matter *now*, for fear something may prevent hereafter.

FOR THE CAMPAIGN!

RALLY IN YOUR MIGHT!

Read, Think and Act!

Our appeal is to the intelligent, the candid and the independent. We ask only that people shall *understand* the issues before them, and that, understanding them, they reflect upon their duty in the premises and then discharge what they believe to be that duty when they come to cast their ballots. In order that the questions to be voted upon at the coming election, may be fairly and fully presented to the public, the BEDFORD GAZETTE will be furnished for the campaign, at the following low rates:

One copy	$0.50
Three copies	1.20
Five copies	1.75
Ten copies	3.00
Twenty copies	5.00

In all cases the cash must accompany the order. We respectfully ask the active men of our party to get up clubs for the campaign at every post-office in the county. In no other way can the good cause be more effectively supported than by the circulation of Democratic newspapers. It ought to be an easy matter to raise a club of twenty at any post office. Address MEYERS & MENGEL, Bedford, Pa.

GEARY'S PLATFORM.

Resolved, That we wholly approve the principles and policy of the administration of General Grant, and we heartily endorse every sentiment contained in his inaugural address, *and especially do hereby ratify and approve the late amendment to the Constitution of the United States proposed by Congress, known as the Fifteenth Amendment.—Radical Platform adopted at Philadelphia, June 24, 1869.—See Bedford Inquirer of July 2.*

CHEERING NEWS.

From every part of the State come the tidings of accessions to the Democracy. The attempt to force Negro Suffrage on our State through the instrumentality of the Fifteenth Amendment, the short-comings of Grant's administration and the corruption and official malversation at the State capital, joined with the personal unpopularity of Governor Geary, have thoroughly disgusted the rank and file of the radical party and have caused even many of its leaders to regard the canvass with indifference. This is the case throughout the State, but especially is it observable in Philadelphia and in the eastern and central counties. The indications now are that Packer and Pershing will be elected by at least 10,000 majority.

In order to place our success beyond all doubt, "to make assurance doubly sure," *it is only necessary for every Democratto go to the election and vote.* This time the Democracy are perfectly united on their State nominations. A large conservative vote is gravitating to our side. *Therefore, let us put forth our whole strength and make our victory overwhelming.* Our word for it, that if we poll as large a Democratic vote as that cast for our State Ticket at the last October election, we shall carry the State by 20,000 majority. We *can* poll that vote. Will it be done? Let the Democrats of the several election districts answer.

To bring out a *full* vote, much work must be done. The tooting of horns, the rattling of drums, the inkling of cymbals, the splitting of throats by public speakers, are of but little avail. They are sound and fury, signifying nothing. Thorough, systematized organization of each and every election district by the active Democrats in the respective districts, is what is needed. Let this be had and there can be no trouble in getting out every voter to the polls. Never mind the blowing of radical bands and radical speakers. It is all wind. *Let us work while they toot and talk.*

THE FIFTEENTH AMENDMENT fastens Negro Suffrage irrevocably upon the people of this State. Shall the snap judgment taken on the people by the last legislature in ratifying this Amendment, be permitted to stand? If not, vote for FINDLAY, NOBLE and SIPE.

VOTE FOR GEORGE ELDER FOR COMMISSIONER. He is a gentleman of experience, sound judgment and unimpeached integrity. He will see that the radical thieves at Harrisburg do not rob our county treasury by demands for State Taxes levied without authority of law.

THOSE SEVEN MILLIONS.

The radical newspapers have not yet succeeded in explaining what became of the *Seven Millions of Dollars* spent during the first two years of Gov. Geary's administration. They dare not itemize the account. They dare not inform the people to what uses it was applied. Upwards of *three million* of that sum they have utterly failed to account for. It was given in salaries and perquisites to lazy radical officials at Harrisburg; to pasters and folders who never performed any service and who either remained at home until the time came to draw their pay or loafed around the slums and dens of the capital beguiling their idle hours in licentious and vicious pursuits; to radical favorites who were given the printing jobs of the legislature; to clerks in the department whose number has been more than doubled in late years; to civil code commissioners who enjoy their *otium cum dignitate* at $2,500 per annum; to Geary and his understrappers whose salaries have been increased; to numerous secretaries which eat out the substance of the people. Shall the men who cannot and dare not explain to the people what they have done with the millions of taxes wrung from them, be given another lease of power? Shall a Governor be re-elected the record of whose administration is stained with this waste of public treasure? Shall members of the legislature be returned, whose votes have been deliberately cast for this reckless appropriation of the people's money. The coming election will decide. Let every voter make up his mind to rebuke the corrupt and improvident rule which is dragging our grand old Commonwealth from her high position in the community of states, and fixing upon her once bright escutcheon the stain and corrosion of political corruption.

$2,500 A YEAR.

W. Maclay Hall, the Chairman of the Radical County Committee is one of the three Commissioners appointed by Geary to revise the civil code.—These Commissioners are to remain in office until 1871, at a salary of $2,500 a year.

Mr. Hall finds time to attend to his practice in our courts, to superintend his farm, to travel more or less, and to boss the radical politics in this county. With these laborious duties to perform, it is not presumable that he has many spare moments to devote to the "revising" business. His salary, however, goes on at the rate of $2,500 a year.

We refer to this matter merely to show how Geary has pensioned off greedy and seedy radical politicians. The work that is to be done in the revision of the civil code, could be easily performed by one man in the time allowed the three Commissioners appointed by the governor. But then there were three radical politicians who must be pensioned upon the taxpayers at the rate of $2,500 a year.

THE INTEREST ON THE STATE DEBT.

Let the voters of Bedford county remember that during the administration of John W. Geary, the interest on the State Debt has been increased from 4, 4½ and 5 to 6 per cent.

By this operation the Commonwealth paid in 1867, just **$94,063** more interest than in 1866, and in 1868 the increase over 1866, was **$172,554!** This shows a loss to the Commonwealth in two years, of **$266,617!** Only think of it, TWO HUNDRED AND SIXTY SIX THOUSAND, SIX HUNDRED AND SEVENTEEN DOLLARS thrown away, in two years, by this increase in the rate of interest!

Will the Bedford *Inquirer* please inform its readers in regard to this matter? Is this not true as gospel, every word of it, Mr. *Inquirer?* Come, now, an honest confession is good for the soul, especially the soul of a radical editor. What say you in regard to this charge against your party, *Guilty, or Not Guilty?*

VOTE FOR JOHN P. REED FOR PROTHONOTARY. A more capable man than Mr. Reed could not have been nominated. Through the most terrible trials he has always been a steadfast Democrat.

THE infamous Registry Act, passed by a radical legislature and appoved by a radical Governor, will cost the tax-payers of this State over ONE MILLION OF DOLLARS! And this we are to take as an evidence of "retrenchment and reform." And the party that made up this item of costs for the tax-payers to foot, asks to be retained in office. Will the people sustain them? We think not.

VOTE FOR WM. KEYSER FOR SHERIFF. He has always been a hard-working Democrat and deserves the united support of the party.

KU-KLUX outrages are scarce, considering that we are so near an important election. Shall we be treated to a horrible dish of skinned niggers before the 12th of October?—Look out for it.

THE COST OF THE REGISTRY LAW.

A FEARFUL BURDEN ON THE TAX-PAYERS.

A Million of Dollars Annually the Price of the Elective Franchise Paid by the People of Pennsylvania.

Our animadversions on the odious character of the Registry Law as a barrier in the way of the voter in his approach to the polls, must now be supplemented by a few words in regard to the cost entailed upon the tax-payer by the execution of this infamous statute. Not only is the voter subjected by it to insult and vexation, but he is compelled to pay dearly for the privilege of suffering under its outrageous provisions. We have made a calculation of the expense attending the execution of this law, and find that it will exceed *One Million Dollars!* We give the reader our data and figures:

There are 2,100 townships and wards, and boroughs not divided into wards, in the State. There are, therefore, 2,100 Assessors or Registers. These, by the terms of the Registry Law, are required to commence registration on the first of June and to close it ten days before the election. Their work proceeds during the months of June, July, August and September, and the average time for which they will be paid will be 96 days. Their pay will be rated not below $3 per diem. The printing of Registry Books, Blank Affidavits, &c., (not computing the cost of these for the city of Philadelphia) will average at least $200 to each county. The extra clerk hire of the county commissioners for making out duplicates of the Registry Books and furnishing them to election boards, will be about $150 to a county, (not estimating the cost for Philadelphia). There are 660,000 voters in the State. One in every three of them will lose a day in having himself registered. Now, let us ascertain the sum this will aggregate:

2,100 Assessors, at $3 per day, for 96 days	604,800
Printing for 65 counties	13,000
Extra clerk hire for commr's	9,750
Loss of a day to 220,000 voters, averaged at $2 per day	440,000
Total	$1,067,550

From this calculation, which is certainly a moderate one, it appears that the people of Pennsylvania will pay upwards of *One Million Dollars*, (not counting the cost of printing, canvassers, etc., for the city of Philadelphia) for the luxury of being insulted and trammeled by the requirements of the Registry Law. Gov. Geary and the radical legislature, in foisting this hateful enactment on the people, have made a base and cowardly attack on the freedom of the ballot and at the same time have required that those whom they would rob of their rights shall pay the cost of this assault upon their liberties.

MEN OF PENNSYLVANIA! Are you willing that this execrable law shall remain on the statute-book? Will you permit the knavish trick by which you are marked as serfs on what should be the roll of freemen, to be played upon you without an effort to rebuke its authors? Are you really slaves to the men whom you chose as your servants? Your action at the ballot-box will give the answer.

THE people want an honest man and will accordingly vote for Geary.—*Inquirer.*

This is the most unblushing piece of impudence that we have ever witnessed. Geary honest? Why we need but call the Pittsburg *Dispatch* and the Philadelphia *Telegraph*, two leading radical journals of this state, to prove the utter untruthfulness of the above.

Geary honest? Let the infamous Herdic act, the Philadelphia "Stock Yard" bill, the Oil Pipe arrangement, and the "supplementary proclamation" by which an honestly elected member of Congress was to be cheated out of his seat, answer. Those official acts of Geary may be considered as "loyal" to the party, but the people have never looked upon them as "honest."

LUTZ, of the *Inquirer*, cried earnestly and loudly for but "*one man*" to stand up against the wrongs and outrages that were being perpetrated by the legislature last winter. Now that paper advocates the election of the whole corrupt gang from Geary down. Has any one been around to see Lutz, and has his paper been sold out to the "Ring?" It looks decidedly that way.

VOTE FOR HUGH MOORE FOR TREASURER. He is an obliging gentleman, an honest man and will make a splendid officer.

"A CHANGE IS NOT REFORM," cry the radicals in their despair. But the people think differently. They evidently mean to make a change, in the hope that retrenchment and reform will continue to change until the much desired reform shall come.

VOTE FOR OWEN McGIRR FOR AUDITOR. Not a word can be uttered against the integrity of Mr. McGirr. He is as true to the interests of the people as the needle to the pole.

THE PHILADELPHIA TELEGRAPH AND GOVERNOR GEARY.

We publish on our first page, this week, an article from the Philadelphia *Evening Telegraph* giving the reasons why it can no longer support the claims of Governor Geary for re election. In that article the following sentence will be found:

"Our opinion of Gov. Geary is tolerably well known; we do not think any better of him since his renomination than we did before, but if the rupublicans of this State chooses to vote for him again, that is their business and not ours"

In order to show what were the opinions of the *Telegraph* before the renomination of the radical candidate we furnish the following extract. On the 19th of May last it said:

"Most of all he has not that stern integrity which should be as much a part of his office as his oath, as his subserviency to the "Ring" has amply proved. He wants altogether not only statesmanship, but even that lesser quality of intelligence which he should bring to the discharge of his responsible trusts. His self-esteem is preposterous, his talents tawdry as the tinsel of the stage. His assumptions of capacity render him ridiculous, and what he thinks are proofs of his wisdom, only confirm us in his ignorance. His dignity is as sham as that of the false duke in the *Honeymoon*. His associates, while they should be of such a character as to hedge him about with respect, are of such origin as to lead the weak to think them his jackals, and no more. His office, in which only the grave affairs of state should be considered has been desecrated to the vilest purposes of brokerage and sale, and then, when he should alone go to discharge his solemn duties, he retires only to prey upon the "Ring" and the seekers after his clemency. With a profundity of ignorance which nothing but his personal vanity equals, he makes speeches, which even after his clerk has corrected their grammar, are miracles of bosh and nothingness."

AND now the *Inquirer* pleads earnestly for the election of Geary, the patron of legislative thieves, and the chief of the legislative "ring." Has it found in him that "one man" who should rescue the party from the disgrace brought upon it by the corrupt and infamous practices of the radical legislature la stwinter?

THE man who votes for Governor Geary and the radical candidates for the legislature this fall votes—not for negro suffrage only, which would be bad enough—but to sanction a palpable violation of the Constitution of the Commonwealth which declares that negroes cannot vote. How can the radicals have the effrontery to ask honest men to stultify themselves in this way? O, the shame of it!

PACKER'S friends have never dared to deny that for several years past he has regularly cheated the government out of more than *thirty thousand* dollars taxes, &c.—*Inquirer.*

None but the most depraved political villain has ever dared to make so mendacious an assertion. And Lutz knew that he was uttering a vile falsehood when he penned the above.

LET laboring men remember that such radical organs as Forney's *Press* and the *North American* recommend the employment of coolies, who will not strike." Slavery is to be introduced in the North, by the importation of coolies, whose bone and muscle are to build up a moneyed aristocracy.

VOTE FOR A. K. PENCYL FOR POOR DIRECTOR. He is a good man in every sense of the word. He understands Poor House affairs thoroughly and will make a safe and efficient Director.

SHALL THE RATIFICATION of the Fifteenth Amendment stand, or shall it be repealed? is the great question to be decided in voting for Governor, Senator and Members of the Legislature.

VOTE FOR J. B. BUTTS FOR CORONER. His neighbors speak highly of him in every respect. Let him receive the full Democratic vote.

SATURDAY, OCT. 2 is the last day on which you can be registerd. Don't neglect to go to the Assessor and ascertain whether your name is on his Registry Book. If not, have it put on in your presence.

ARE THE PEOPLE anxious for another raid on the Treasury by the army of pasters and folders? If so, let them vote for Geary and the radical candidates for the legislature,

NOW the *Inquirer* calls Packer "the bloated bondholder." A while ago it charged him with "disloyalty" for not investing in Government bonds. O, Lutz, thou art a jewel!

THE QUESTION which Governor Geary and his organs cannot answer is, What became of the Seven Millions spent during the first two years of the present State administration.

GEARY, in his late speeches, says that he is powerless against the "Ring." The people will take him at his word and elect a man who will stand up for the people. Such a man is Asa Packer.

A FULL turn-out on election-day will ensure the success of the Democratic candidates. Rally, men of Bedford county, and forward for victory.

REGISTER! REGISTER!

Saturday, October 2d, will be the last day in which you can be registered. See that every Democratic voter is registered before that time. Almost every day we hear many persons complaining of headache, loss of appetite, and that they are not fit to do anything, &c. Many is the day that we have felt so ourselves, and in fact have imagined ourselves sick, but for the life of us could not tell what was the matter. One day while thus complaining, a friend said to us, "Why don't you try Plantation Bitters! they are really a good thing and will make you feel like a new man." Upon his recommendation we purchased a bottle, and took them according to directions. They seemed to go right to the spot, and gave us immediate relief. Ever since we have taken every opportunity to recommend them.

NEWS ITEMS.

An extraordinary divorce suit is recorded by the Weston (Mo.,) Landmark of the 10th. An old gentleman, aged ninety-four years, and his wife, aged eighty-seven, residents of Pettis township, and living together seventy years, concluded the other day to dissolve their marriage relation. They made an equal division of their property and went their separate ways. A more remarkable divorce case is seldom heard of.

A thief attempted to get into a house in Milwaukee the other night, when the woman thereof heard the fellow and, getting up, saw what he was at, and, instead of fainting away as many would have done, she cooly looked about, and, finding a hammer, she crept up and gave the hand a heavy blow. There was a groan outside, and the hand was hastily withdrawn, and retreating footsteps plainly told that the thief had no further business.

Schenck's Pulmonic Syrup, Seaweed Tonic and Mandrake Pills, will cure Consumption, Liver Complaint, and Dyspepsia, if taken according to directions They are all three to be taken at the same time. They cleanse the stomach, relax the liver, and put it to work: then the appetite becomes good; the food digests and makes good blood; the patient begins to grow in flesh; the diseased matter ripens in the lungs, and the patient outgrows the disease and gets well. This is the only way to cure consumption.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivalled success in the treatment of pulmonary consumption. The Pulmonic Syrup ripens the morbid matter in the lungs, nature throws it off by an easy expectoration, for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs begin to heal.

To do this, the Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver, so that the Pulmonic Syrup and the food will make good blood

Schenck's Mandrake Pills act upon the liver, removing all obstructions, relax the ducts of the gall-bladder, the bile starts freely, and the liver is soon relieved; the stools will show what the Pills can do; nothing has ever been invented except calomel (a deadly poison which is very dangerous to use unless with great care), that will unlock the gall-bladder and starts the secretions of the liver like Schenck's Mandrake Pills.

Liver Complaint is one of the most prominent causes of Consumption.

Schenck's Seaweed Tonic is a gentle stimulant and alterative, and the Alkali in the Seaweed, which this preparation is made of, assists the stomach to throw out the gastric juice to dissolve the food with the Pulmonic Syrup, and it is made into good blood without fermentation or souring in the stomach.

The great reason why physicians do not cure consumption is, they try to do too much; they give medicine to stop the cough, to stop chills, to stop night sweats, hectic fever, and by so doing they derange the whole digestive powers, locking up the secretions, and eventually the patient sinks and dies.

Dr. Schenck, in his treatment, does not try to stop a cough, night sweats, chills or fever. Remove the cause, and they will all stop of their own accord. No one can be cured of Consumption, Liver Complaint, Dyspepsia, Catarrh, Canker, Ulcerated Throat, unless the liver and stomach are made healthy.

If a person has Consumption, of course the lungs in some way are diseased, either tubercles, abscesses, bronchial irritation, pleura adhesion, or the lungs are a mass of inflammation and fast decaying. In such cases what must be done? It is not only the lungs that are wasting, but it is the whole body. The stomach and liver have lost their power to make blood out of food. Now the only chance is to take Schenck's three medicines, which will bring up a tone to the stomach, the patient will begin to want food, it will digest easily and make good blood: then the patient begins to gain in flesh, and as soon as the body begins to grow, the lungs commence to heal up, and the patient gets fleshy and well. This is the only way to cure consumption.

When there is no lung disease, and only Liver Complaint and Dyspepsia, Schenck's Seaweed Tonic and Mandrake Pills are sufficient without the Pulmonic Syrup. Take the Mandrake Pills freely in all billious complaints, as they are perfectly harmless

Dr. Schenck, who has enjoyed uninterrupted health for many years past, and now weighs 225 pounds, was wasted away to a mere skeleton, in the very last stage of Pulmonary Consumption, his physicians having pronounced his case hopeless and abandoned him to his fate. He was cured by the aforesaid medicines, and since his recovery many thousands similarly afflicted have used Dr. Schenck's preparations with the same remarkable success. Full directions accompanying each, make it not absolutely necessary to personally see Dr. Schenck, unless the patients wish their lungs examined and for this purpose he is professionally at his Principal Office, Philadelphia, every Saturday, where all letters for advice must be addressed. He is also professionally at No. 32 Bond Street, New York, every other Tuesday, and at No. 35 Hanover Street, Boston, every other Wednesday. He gives advice free, but for a thorough examination with his Respirometer the price is $5. Office hours at each city from 9 A. M. to 3 P. M.

Price of the Pulmonic Syrup and Seaweed Tonic each $1.50 per bottle, or $7.50 a half-dozen. Mandrake Pills 25 cents a box. For sale by all druggists.

THE "REGULATOR."—We take pleasure in announcing to our readers that W. C. Garwood has taken charge of this old establishment and will endeavor to please all, both in the quality and price of all goods he has to sell. Read his advertisement in another column.

The immortal "J. N.," satirist and philosopher, lifted the veil and assumed the pressure at Hollidaysburg, on Thursday last. Bedford needs his presence to utter words of truth and take the pressure from off the Gearyites.

EXCELLENT IRON ORE.—The Chambersburg *Valley Spirit* says:

"Some weeks ago, Mr. J. M. Cooper sent to Lancaster city, for examination, specimens of what he believed to be iron ore, taken from his farm near Bedford. The iron manufacturers to whom these specimens have been submitted pronounce them hematite and pipe ore of the best quality, which they say, will "melt like butter in a furnace."

Bedford county teems with untold mineral wealth, and all that is needed is a little enterprise to develop the same. When once we have a railroad through our county, furnaces and rolling mills will spring up like magic, and the inexhaustible beds of ore that are found in every direction will be converted into the best of iron. But so long as we are without the facility of conveying these ores—either in their raw or in their manufactured state—into market, they will be of no earthly account to any one. What we want, and what we must have, is a railroad.

CUMBERLAND VALLEY IN 1808.—Our mercantile friend, D. R. Anderson, Esq., of Centerville, sends us a copy of the list of voters of Cumberland Valley township, put up for the Presidential election of 1808. THE OLD GUARD FOR OCTOBER.—The October number of The Old Guard opens with a pungent article, by the editor, on "Literary Puritanism," in which Mrs. Harriet Beecher Stowe and company are dealt with almost mercilessly. It also contains, "Fragments from the Greek," the continuation of "The Cub of the Panther," "Repudiation or Free Trade," "Indian Biography," "Ireland and its Condition," "The Platonic and Witty Divines of Queen Anne's Time," and the usual spice of the Book and Editor's Tables. Altogether, this is one of the best numbers of this most excellent Magazine. Single copies, 25c.; $3.00 per annum. VAN EVRIE, HORTON & Co., No 162 Nassau st., New York.

The Nursery, for youngest readers, is, without exceptoin, the most attractive periodical of the kind now published, and should be in every family. Addrss John L. Shorey, Boston, Mass. Price $1.50 a year.

PACKARD'S MONTHLY for October has come to hand, and we need not say that it is as interesting as ever. At the close of the present volume, the publisher will enlarge the magazine and improve it in every respect. Success to Packard!

GREAT GATHERING OF RADICALS!

The Juniata on Fire!

BIG SPEECH BY BIG-HAM!

Granny Govode, at the instance of Gory Geary, had issued his "supplementary" to the Radicals of Bedford county to assemble in mighty "Mass Meeting;" courriers had hastened on swift steeds to the hamlets of the faithful; flaming placards had been scattered to the four winds of heaven, inviting the people to come to this place and hearken to the champions of the "humbuggedest."

Tuesday evening came, and with it the most miserable failure of a "mass meeting" ever seen in Bedford. The "big injun" of the evening was a paid slanderer of Asa Packer, surnamed Big-ham—Durham—or "any other man," who boasted that he was a relative of John A. Bingham of Ohio. (We pity the Ohio fellow.) Our special reporter took down his speech on the spot, and we give it below for the benefit of those who had not the pleasure of hearing it:

"Mr. President—fellow citizens of Bedford co.—I'm no stranger to you—though we have never seen each other before—my name is Big-ham—in the first place—Asa Packer—Registry law—Revenue tax—copperhead—silver-plate—door knob—$8.95—dem—dem—copperhead—fraud—tax—copperhead—Grant—copperhead—rebel—Geary—Kansas—Mexico—ditch—Jonn Cessna—*Patriot*—Schuylkill county—*Gazette*—John Cessna—rebel—Bigham—copperhead—Asa Packer—$8.95—2 gold watches—ah—ah—I almost forgot 15th amendment—(Here the speaker in a very boisterous and blasphemous manner shouted, "By God, I would rather vote with a black man than with a copperhead."

The speaker then took his seat in a "lather of sweat," and his hearers hastily adjourned in disgust. "Our member" who had been sketching the outlines of a brilliant harangue on the crown of his shining beaver, was left "alone in his glory," and the other speakers will be obliged to reserve what they had intended to say on this "big occasion" for some other day. We would advise our radical friends when next they import a speaker, to secure the services of one who uses decent language and knows how to address a Bedford county audience. Let Big-ham do it "more so." He can't swallow more than one "copperhead" at a gulp.

IN A BAD CONDITION.—The Lutheran and Reformed grave-yard which has been used for many years by the Reformed and Lutheran congregations of this place and the surrounding country, is at present in a disgraceful condition, and should receive immediate attention from those who have friends or relatives buried there. The fences are boken down, and by night and by day, this hallowed spot is a rendevous for all the cattle and hogs that are running at large. If this matter is not speedily attended to, there will be nothing left to mark the resting place of those who are sleeping silently in the "city of the dead." If those interested would contribute a small amount, eitherin money or lumber, the place would soon again look as it should. Respect for the memory of the "departed ones" should prompt immediate action.

Persons wishing to contribute to this laudable object, can do so by calling on Rev. F. Benedict.

A WORD FOR LOCAL NEWSPAPERS.—We clip the following from the New York *Tribune*. It is true, and we commend it to every one who has an interest in where he resides:

Nothing is more common than to hear people talk of what they pay newspapers for advertising, &c., as so much given in charity. Newspapers, by enhancing the value of property in their neighborhood, and giving the localities in which they are published a reputation abroad, benefit all such, particularly if they are merchants or real estate owners, thrice the amount yearly of the meager sum they pay for their support. Besides every public spirited citizen has a laudable pride in having a paper of which he is not ashamed, even though he should pick it up in New York or Washington.

A good-looking, thriving sheet, helps property, gives character to locality, and in many respects, is a desirable public convenience. If from any cause the matter in the local or editorial column should not be to your standard, do not cast it aside and pronounce it good for nothing, until satisfied that there has been no more labor bestowed upon it than is paid for. If you want a good readable sheet it must be supported. And it must not be supported in a spirit of charity either, but because you feel a necessity to support it. The local press is the power that moves the people,

ONE PERSON for county Auditor for said county.

ONE PERSON for Coroner for said county.

NOTICE IS HEREBY GIVEN, That every person excepting Justices of the Peace who shall hold any office or appointment of profit or trust under the United States, or of this State, or any city or corporated district, whether a commissioned officer or otherwise, a subordinate officer or agent who is or shall be employed under the legislative, executive or judiciary department of this State, or of any city, or of any incorporated district, and also, that every member of Congress and of the State Legislature, and of the select or common council of any city, or commissioners of any incorporated district, is by law incapable of holding or exercising at the time, the office or appointment of Judge, Inspector or Clerk of any election of this Commonwealth, and that no Inspector, Judge or other officer of such election shall be elegible to be then voted for.

And the said act of assembly entitled "an act relating to elections of this Commonwealth," passed July 2, 1819, further provides as follows, viz:

"That the Inspector and Judges shall meet at the respective places appointed for holding the election in the district at which they respectively belong, before 7 o'clock in the morning of the SECOND TUESDAY OF OCTOBER, and each said inspector shall appoint one clerk, who shall be a qualified voter of such district.

"In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of any election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as an Inspector in his place. And in case the person who shall have received the highest number of votes for Inspector shall not attend, the person elected Judge shall appoint an Inspector in his place; and in case the person elected a Judge shall not attend, then the Inspector who received the highest number of votes shall appoint a Judge in his place; and if any vacancy shall continue in the board for the space of one hour after the time fixed by law for the opening of the election the qualified voters of the township, ward or district for which such officer shall have been elected, present at the place of election, shall elect one of their number to fill such vacancy,

"It shall be the duty of the several assessors respectively to attend at the place of holding every general, special or township election, during the whole time such election is kept open, for the purpose of giving information to the Inspectors and Judge, when called on, in relation to the right of any person assessed by them to vote at such election, and on such other matters in relation to the assessment of voters, as the said Inspectors or other of them shall from time to time require.

"No person shall be permitted to vote at any election as aforesaid, than a white citizen of the age of twenty-one or more, who shall have resided in this State at least one year, and in the election district where he offers to vote, ten days immediately preceding such election, and within two years paid a State or county tax, which shall have been assessed at least ten days before the election. But a citizen of the United States who has previously been a qualified voter of this State and removed therefrom and returned, and who shall have resided in the election district and paid taxes aforesaid, shall be entitled to vote after residing in this State six months. *Provided*, That the white freemen, citizens of the United States, between the age of twenty-one and twenty two years who have resided in the election district ten days as aforesaid shall be entitled to vote, although they shall not have paid tax.

By the Act of Assembly of 1869, known as the "Registry Law," it is provided as follows:

1 "Election Officers are to open the polls between the hours of six and seven, A. M., on the day of election. Before six o'clock in the morning of second Tuesday of October they are to receive from the County Commissioners the Registered List of Voters and all necessary election blanks, and they are to permit no man to vote whose name is not on said list, unless he shall make proof of his right to vote as follows:

2. The person whose name is not on the list, claiming the right to vote must produce a qualified voter of the district to swear in a written or printed affidavit to the residence of the claimant in the district for at least ten days next preceding said election, defining clearly where the residence of the person was.

3. The party claiming the right to vote shall also make an affidavit, stating to the best of his knowledge and belief where and when he was born, that he is a citizen of Pennsylvania and of the United States, that he has resided in the State one year, or, if formerly a citizen therein and removed therefrom, that he has resided therein six months next preceding said election, that he has not moved into the district for the purpose of voting therein, that he has paid a State or county tax within two years, which was assessed at least ten days before the election, and the affidavit shall state when and where the tax was assessed and paid, and the tax receipt must be produced unless the affiant shall state that it has been lost or destroyed, or that he received none.

4. If the applicant be a naturalized citizen, he must, in addition to the foregoing proofs, state in his affidavit, when, where, and by what court he was naturalized, and produce his certificate of naturalization.

5. Every person, claiming to be a naturalized citizen, whether on the registry list, or producing affidavits as aforesaid, shall be required to produce his naturalization certificate at the election before voting, except where he has been for ten years consecutively a voter in the district where he offers to vote; and on the vote of such person being received, the Election Officers are to write or stamp the word "voted" on his certificate with the month and year, and no other vote can be cast that day in virtue of said certificate except where sons are entitled to vote upon the naturalization of their father.

6. If the person claiming to vote who is not registered shall make an affidavit that he is a native born citizen of the United States, or, if born elsewhere, shall produce evidence of his naturalization, or that he is entitled to citizenship by the reason of his father's naturalization, and further, that he is between 21 and 22 years of age, and has resided in the State one year, and in the election district ten days next preceding the election, he shall be entitled to vote though he shall not have paid taxes."

Election Proclamation.

"Every person qualified as aforesaid, and who shall make due proof if required, of his residence and payment of taxes aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.

"If any person shall prevent or attempt to prevent any officer of an election, under this act from holding such election, or use or threaten any violence to any such officer, and shall interrupt or improperly interfere with him in the execution of his duty, shall block up or attempt to block up the window or avenue to any window where the same may be holden, or shall riotously disturb the peace of such election, or shall use or practice intimidation, threats, force or violence, with the design to influence unduly or overawe any elector, or prevent him from voting, or to restrain the freedom of choice, such persons on conviction shall be fined in any sum not exceeding five hundred dollars, to be imprisoned for any time not less than one nor more than twelve months, and if it shall be shown to the court where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward or district where the said offence was committed, and not entitled to vote therein, on conviction, he shall be sentenced to pay a fine not less than one hundred or more than one thousand dollars, and be imprisoned not less than six months nor more than two years.

"If any person or persons shall make any bet or wager upon the result of an election within the commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation therefor, or by any written or printed advertisement, or invite any person or persons to make such bet or wager, upon conviction thereof he or they shall forfeit and pay three times the amount so bet or offered to be bet.

And the election laws of the commonwealth further provide that "The Inspectors, Judges and clerks shall, before entering on the duties of their offices, severally take and subscribe the oath or affirmation hereinafter directed, which shall be administered to them by any judge, alderman or justice of the peace, but if no such magistrate be present, one of the inspectors of the election shall administer the oath or affirmation to the other judge and inspector, and then the inspector so qualified shall administer the oath or affirmation to him.

"The inspectors, judge and clerks required by law to hold township and general elections, shall take and subscribe the several oaths and affirmations, required by the 19th, 20th and 21st sections of the act of the 2d day of July 1839, entitled "An act relating to the elections of this commonwealth," which oaths or affirmations shall be prepared and administered in the manner prescribed in the 18th and 22d sections of said act, and in addition to the power conferred by the 18th section of said act, the judge, or either of the inspectors, shall have power to administer the oaths prescribed by said act, to any clerk of a general, special or township election.

"The following shall be the form of the oath or affirmation to be taken by each inspector, viz: 'I (A. B.) do——that I will duly attend to the ensuing election during the continuance thereof, as an inspector, and that I will not receive any ticket or vote from any person, other than such as I shall firmly believe to be, according to the provisions of the constitution and the laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, nor will I vexatiously delay or refuse to receive any vote from any person who I shall believe to be entitled to vote as aforesaid, but that I will in all things truly, impartially and faithfully perform my duty therein, to the best of my judgment and abilities, and that I am not directly, nor indirectly, interested in any bet, or wager on the result of this election.'

"The following shall be the oath or affirmation of each judge, viz: 'I (A. B.) do——that I will as judge duly attend the ensuing election during the continuance thereof, and faithfully assist the inspectors in carrying on the same; that I will not give my consent that any vote or ticket shall be received from any person other than such as I firmly believe to be, according to the provisions of the constitution and laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, and that I will use my best endeavors to prevent any fraud, deceit or abuse, in carrying on the same by citizens qualified to vote, or others, and that I will make a true and perfect return of the said election, and will in all things truly, impartially and faithfully perform my duty respecting the same, to the best of my judgment and abilities, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

"The following shall be the form of the oath or affirmation to be taken by each clerk, viz: 'I (A. B.) do——that I will impartially and truly write down the name of each elector who shall vote at the ensuing election, which shall be given me in charge, and also the name of the township, ward or district, wherein such elector resides, and carefully and truly write down the number of votes that shall be given for each candidate at the election, as often as his name shall be read to me by the inspectors thereof, and in all things truly and faithfully perform my duty respecting the same to the best of my judgment and ability, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

The qualified electors will take notice of the following act of Assembly, approved 12th day of March, 1866: AN ACT, Regulating the mode of voting at all elections, in the several counties of this commonwealth.

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That the qualified voters of the several counties of this commonwealth, at all general, township, borough and special elections, are hereby, hereafter, authorized and required to vote, by tickets, printed, or written, or partly printed and partly written, severally classified as follows: One ticket shall embrace the names of all judges of courts voted for, and to be labelled, outside, "judiciary," one ticket shall embrace the names of all state officers voted for, and be labelled, "state;" one ticket shall embrace the names of all county officers voted for, including office of senator, member, and members of assembly, if voted for, and members of congress, if voted for, and be labelled, "county;" one ticket shall embrace the names of all township officers voted for, and be labelled, "township;" one ticket shall embrace the names of all borough officers voted for, and be labelled, "borough;" and each class shall be deposited in seperate ballot-boxes.

SECTION 2. That it shall be the duty of the Sheriffs, in the several counties of this commonwealth, to insert in their election proclamations, hereafter issued the first section of this act.

JAMES R. KELLEY,
Speaker of the House of Representatives.
DAVID FLEMING,
Speaker of the Senate.

APPROVED—the thirtieth day of March, Anno Domini one thousand eight hundred and sixty-six.
A. G. CURTIN.

Election officers will take notice that the act entitled "A Further Supplement to the Election Laws of this commonwealth," disqualifying deserters from the army of the United States from voting, has recently been declared unconstitutional by the Supreme Court of Pennsylvania, is now null and tvoid, and that all persons formerly disqualified thereunder are now lawful voters, if otherwise qualified. The act decided unconstitutional by the Supreme Court provided as follows:

"A FURTHER SUPPLEMENT TO THE ELECTION LAWS OF THIS COMMONWEALTH:

Whereas, By the act of the congress of the United States, entitled "An Act to amend the several acts heretofore passed, to provide for the enrolling and calling out the national forces, and for other purposes," and approved March third, one thousand eight hundred and sixty-five, all persons who have deserted the military or naval service of the United States, and who have not been discharged, or relieved from the penalty, or disability therein provided, are deemed, and taken, to have voluntarily relinquished, and forfeited, their rights of citizenship, and their rights to become citizens, and are deprived of exercising any rights of citizens thereof:

And whereas, persons, not citizens of the United States, are not, under the constitution and laws of Pennsylvania, qualified electors of this commonwealth:

Section 1. Be it enacted by the Senate and House of Representatives of the commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That in all elections hereafter to be held in this commonwealth, it shall be unlawful for the judge or inspectors of any such election to receive any ballot, or ballots, from any person, or persons, embraced in the provisions, and subject to the disability, imposed by said act of congress, approved March third, one thousand eight hundred and sixty-five, and it shall be unlawful for any such person to offer to vote any ballot, or ballots.

Section 2. That if any such judge and inspectors of election, or any one of them shall receive, or consent to receive, any such unlawful ballot, or ballots, from any such disqualified person, he, or they, so offending, shall be guilty of a misdemeanor, and, upon conviction thereof, in any court of quarter sessions of this commonwealth, he shall, for such offence, be sentenced to pay a fine of not less than one hundred dollars, and to undergo an imprisonment, in the jail of the proper county, for not less than sixty days.

Section 3. That if any person deprived of citizenship, and disqualified as aforesaid, shall, at any election, hereafter to be held in this commonwealth, vote, or tender to the officers thereof, and offer to vote, a ballot, or ballots, any person, so offending, shall be deemed guilty of a misdemeanor, and on conviction thereof, in any court of quarter sessions of this commonwealth, shall, for each offence, be punished in like manner as is provided in the preceding section of this act, in the case of officers of election receiving such unlawful ballot or ballots.

Section 4. That if any person shall hereafter persuade, or advise, any person, or persons, deprived of citizenship, and disqualified as aforesaid, to offer any ballot, or ballots, to the officers of any election, hereafter to be held in this commonwealth, or shall persuade, or advise, any such officer to receive an[illegible] ballot, or ballots, from any person deprived of citizenship, and disqualified as aforesaid, such person, so offending, shall be guilty of a misdemeanor, and upon conviction thereof, in any court of quarter sessions of this commonwealth, shall be punished in like manner as is provided in the second section of this act, in the case of officers of such election receiving such unlawful ballot, or ballots. OUR NEW FAMILY SEWING MACHINE.

The superior merits of the "Singer" Machines over all others, for either Family use or Manufacturing purposes, are so well established and so generally admitted, that an enumeration of their relative excellences is no longer considered necessary.

OUR NEW FAMILY MACHINE,

which has been brought to perfection regardless of time, labor, or expense, is now confidently presented to the public as incomparably the Best Sewing Machine in existence. The machine in question is Simple, Compact, Durable and Beautiful. It is quiet, light running, and

CAPABLE OF PERFORMING A RANGE AND VARIETY OF WORK

never before attempted upon a single Machine,—using either SILK, TWIST, LINEN OR COTTON THREAD, and sewing with equal facility the very finest and coarsest materials, and anything between the two extremes, in the most beautiful and substantial manner. Its attachments for Hemming, Braiding, Cording, Tucking, Quilting, Felling, Trimming, Binding, etc., are Novel and Practical, and have been invented and adjusted especially for this Machine.

New designs of the Unique, Useful, and Popular Folding Tops and Cabinet Cases, peculiar to the Machines manufactured by this Company, have been prepared for enclosing the new Machine.

A faint idea, however, can at best be conveyed through the medium of a (necessarily) limited advertisement; and we therefore urge every person in quest of a Sewing Machine, by all means to examine and test, if they can possibly do so, all the leading rival Machines before making a purchase. A selection can then be made understandingly. Branches or agencies for supplying the "Singer" Machines will be found in nearly every city and town throughout the civilized world, where Machines will be cheerfully exhibited, and any information promptly furnished. MIDDLETON'S

WONDERFUL PAIN CURE

A sure remedy for Rheumatism, Neuralgia, Lumbago, Growing Pains, Sprains, Bruises, Stiffnes, of the Joints and all similar diseases.

This wonderful remedy is composed entirely of vegetable ingredients. There are no injurious substances used in its manufacture.

For assurance of its excellent properties, read the following certificates:

BEDFORD, May 8, 1869.

I take great pleasure in giving my testimony to the value of "Middleton's Wonderful Pain Cure." I have been a martyr to Rheumatism. For two months previous to Feb. 25th, last, I was suffering intensely with pain so severe, that during all that time I had not one night of comfortable sleep. I could not put my hands to my face, could not comb my own hair, nor feed myself; but after having the Pain Cure applied once, I found relief enough to give me comfortable sleep, and with its steady use, I continued to get better, and now at the end of ten weeks from its first application, I have comparatively free use of my hands, sleep well and can attend to business. It has done me more good than all other medicines I have ever used put together, and I cheerfully give this certificate of its value.

ELI M. FISHER.

BEDFORD, April 14, 1869.

Mr. W. W. Middleton,

This is to certify that I was taken with Rheumatism, in my right shoulder, on the evening of the 8th inst., so that I was unable to raise my hand to my face. I got some of your Pain Cure and applied it twice, and was entirely relieved. I would recommend to every one who suffers with Rheumatism to give it a trial and be cured.

Yours &c., A. F. MILLER.

BEDFORD, May 17, 1869.

Mr. Middleton,

DEAR SIR:—I have used several bottles of your medicine in my family, and find it to be all you claim for it. Yours, truly,

JOHN HAFER.

BEDFORD, May 13, 1869.

This is to certify that I have used "Middleton's Pain Cure," for Rheumatism, and was very much benefited by it. JOHN HARRIS.

BEDFORD, May 18, 1869.

This is to certify that I have used Middleton's Liniment, for the Rheumatism which I had in my right shoulder so bad that I could not get my hand to my head without great pain, and after a few applications was entirely relieved.

L. F. DART.

BEDFORD, May 1, 1869.

Mr Middleton,

Dear Sir:— Mrs. Bowser was in much suffering for some four weeks with Rheumatism, and got some of your Pain Cure, and the first night I applied it it eased the pain; and after keeping on using it for two weeks, she was restored to health. I feel it to be my duty, as it is a pleasure, to write this recommendation for the benefit of others. JACOB BOWSER.

BEDFORD, May 16. 1869.

Mr W. W. Middleton:

Sir—I procured a bottle of your Liniment for Rheumatism, and it gives me great pleasure in saying that after using it for two days, my rheumatism was completely relieved. My sister was suffering, at the same time, with Inflamatory Rheumatism in her right hand and wrist—after using it for several days she was relieved. I consider it the best remedy I ever heard of.

JOHN KEEFE.

BEDFORD, May 24, 1869.

This is to certify that I have used one bottle of Middleton's Liniment, for Rheumatism, and think it a good cure, and would recommend it to all persons that are afflicted with the above disease.

AUGUSTUS CARVER.

BEDFORD, May 26, 1869.

Mr. Middleton:

Sir—I procured one bottle of your medicine and used one-half of it for Rheumatism, which effected a permanent cure up to this time. I cannot hesitate in saying that it is the best remedy I ever used. A. B. CARN.

This excellent PAIN CURE is prepared only by W. W. MIDDLETON, Bedford, Pa., to whom all orders for the medicine should be addressed.

NATURE'S GREAT RESTORER.

SCHEETZ'S

CELEBRATED

BITTER CORDIAL.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a CURE ALL, but by its direct and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomach and Bowels, it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy for DIARRHŒA, DYSENTERY, BOWEL COMPLAINT, DYSPEPSIA, LOWNESS OF SPIRITS, FAINTINGS, SICK-HEADACHE, &c. For Chills and Fevers of all kinds, it is far better and safer than quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.

AYER'S

HAIR VIGOR,

FOR THE RENOVATION OF THE HAIR.

THE GREAT DESIDERATUM OF THE AGE.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

AYER'S CATHARTIC PILLS,

For all the purposes of a Laxative Medicine.

Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For DYSPEPSIA or INDIGESTION, LISTLESSNESS, LANGUOR and LOSS of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For LIVER COMPLAINT and its various symptoms, BILLIOUS HEADACHE, SICK HEADACHE, JAUNDICE or Green SICKNESS, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For DYSENTERY or DIARRHŒA, but one mild dose is generally required.

For RHEUMATISM, GOUT, GRAVEL, PALPITATION OF THE HEART, PAIN IN THE SIDE, BACK and LOINS, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For DROPSY and DROPSICAL SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For SUPPRESSION a large dose should be taken as it produces the desired effect by sympathy.

As a DINNER PILL, take one or two pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Our friends will find at Mr. Waters' store the very best assortment of Pianos, Melodeons and Organs to be found in the United States.—*Graham's Magazine.*

MUSICAL DOINGS.—Since Mr. Waters gave up publishing sheet music, he has devoted his whole capital and attention to the manufacture and sale of Pianos and Melodeons. He has just issued a catalogue of his new instruments, giving a new scale of prices, which shows a marked reduction from former rates, and his Pianos have recently been awarded the First Premium at several Fairs. Many people of the present day, who are attracted, if not confused, with the flaming adeertisements of rival piano houses, probably overlook the modest manufacturer like Mr. Waters; but we happen to know that his instruments earned him a good reputation long before Expositions and "honors" connected therewith were ever thought of; indeed, we have one of Mr. Waters' Pianofortes now in our residence (where it has stood for many years,) of which any manufacturer in the world might well be proud. We have always been delighted with it as a sweet-toned and powerful instrument, and there is no doubt of its durability; more than this, some of the best amateur players in the city, as well as several celebrated pianists, have performed on the same piano, and all pronounce it a superior and first-class instrument. Stronger endorsement we could not give.—*Home Journal.* jan5,'69.

AYER'S SARSAPARILLA,

FOR PURIFYING THE OOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhœa or Whites, Uterine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.
